# Apollo® LT

*The Premier Wall Mount ATM...*

The WRG Apollo® LT ATM is like no other ATM on the market. This wall mount ATM is conveniently sized making it perfect for merchants who have limited room in their location and is light enough to be economically shipped via UPS or FedEx.

The Apollo LT ATM measures 17" tall, 18" wide and 8" deep. It features an ATP-60 thermal printer, Electronic Journal 2000 transaction memory and Fujitsu 1000 note cash dispenser. The Apollo LT ATM includes the WRG CPU, a PCI and Interac approved PIN Entry Device that is 3DES compliant.

The Apollo LT ATM comes standard with S&G spin dial lock and optional key lock or electronic lock are available. Optional counter top mounting kit, top sign, lighted top sign and ATM identification stickers are also available.

WRG is proud to continue the tradition of offering cost effective, quality ATMs with the Apollo LT ATM.
