

Genesis[®] LT

*Shown w/ optional front lock cover
and optional lighted top sign*

WRG's Genesis[®] LT ATM offers everything that you asked for in an ATM: low cost, quality and convenience. Designed for indoor use, the Genesis LT ATM contains the same reliable components as the full size Genesis[®] ATM in a slimmer size with a convenient drop down front door design. The Genesis LT ATM includes the WRG CPU, a PCI and Interac approved PIN Entry Device that is 3DES compliant.

WRG is proud to continue to offer cost effective, quality ATMs. Optional features to make the most of your investment include electronic lock, front lock cover, lighted top sign and wireless connectivity.
